During Easter we would like to take you on a time travelling journey all the way back to The Stone Age. We would like you to find out all about life during **The Stone Age**. You will need to research as much as you can about the topic and present your work to us in some way.

**These are some websites that you may find useful.**

(Looking at The Stone Age from an archaeologist's point of view.)

How Stone Age Humans Made Hand Axes

## Presenting your research

- Create a poster with pictures and facts
- Record yourself talking about what you have found out (you could do this as a report, an interview, or even a play)
- Create some Stone Age Cave Paintings or make your own Stone Age cave
- Write a report about different aspects of Stone Age life – hunting, homes, families, tools, jobs and roles
- Make or draw your own Stone Age tools
- Find out when the Stone Age was – create a Time Line
- Where did they settle and why? What made these areas great for settlements?
- How do we know about the Stone Age today?– present your research as an archaeologist

We understand that this is a 'free task' and some children may require more guidance from us. If you have any questions, please email [year3@kingslea.org.uk](mailto:year3@kingslea.org.uk) and teachers will be checking this when we can. We look forward to hearing from you and we hope you enjoy your week! 😊

Mrs Smith and Miss Laker
