

The Differences Between Direct and Indirect Speech

Using Speech within Writing

Within writing, there are two ways to narrate the words spoken by a character. These are called:

- direct speech
- indirect (or reported) speech

I bid you
farewell
Earthlings!

In a direct speech sentence, we would narrate Iggy's spoken words like this:

“I bid you farewell Earthlings!” shouted Iggy from his spaceship.

If we were writing an indirect speech sentence, we would narrate Iggy's spoken words like this:

From his spaceship, Iggy bid farewell to the Earthlings.

Using Direct Speech

Let's look carefully at the direct speech sentence.

What do you notice?

I bid you
farewell
Earthlings!

“I bid you farewell Earthlings!” shouted Iggy from his spaceship.

The exact words of the speaker are enclosed in inverted commas (speech marks).

In direct speech, the exact words of the speaker are quoted with no change to their content or order.

The correct punctuation is used before the inverted commas close.

There is often a reporting clause to explain who said the speech. Sometimes the reporting clause can be extended with an adverb, subordinate clause or prepositional phrase to explain more about how, where or when the speech was said. The reporting clause can appear before or after the spoken words themselves.

Using Indirect Speech

I bid you
farewell
Earthlings!

Now, let's take a look at the indirect (reported) speech sentence.

How is it different to the direct speech sentence?

From his spaceship, Iggy bid farewell to the Earthlings.

In indirect speech, no inverted commas (speech marks) are used.

The actual words of the speaker are often changed. The spoken words need to be in the correct tense, extra words may need to be added and pronouns may need to be changed (e.g. I → Iggy).

There are no reporting clauses within indirect (reported) speech. However, an adverb or prepositional phrase to explain more about how, where or when the speech was said can be added if needed.

Are Inverted Commas Needed?

If they are examples of direct speech, where should we place inverted commas?

Brilliant Bolt Grabs Gold Again!

Jamaican Sprinter Takes London by Storm Winning Three Olympic Gold Medals

Exclusive Report by John Stevenson

Usain Bolt reaffirmed his title as the World's Fastest Man by achieving a marvellous third gold medal of the games this week. In front of a deafening capacity crowd in London's Olympic Stadium, the 25-year-old world record holder completed a remarkable set of victories to establish himself as one of the greatest sprinters of all time.

Following earlier victories in both the 100m and 200m individual sprint, Bolt inspired his Jamaica team-mates to a third triumph in the 4x100m relay. The three gold medals are added to his personal collection alongside similar achievements in the corresponding individual events of Beijing in 2008.

Afterwards, the reigning 100m and 200m world champion was understandably buoyant in his celebrations.

"It's a brilliant feeling. It's been a long road. I'm happy, but I'm relieved. It's great to be in the history books as one of the greatest. I'm proud of myself," he told reporters.

Although other athletes have won more medals than Bolt, including American sprinter Carl Lewis who was commentating for a television network, no-one else can match the explosive power and unrivalled pace exhibited by Bolt.

Usain Bolt: winner of three Olympic gold medals in London

The sprinter's Jamaican team-mates were equally jubilant following their relay victory, describing it as a momentous day in Athletics history. Even the American team, who were disqualified from the relay following a disastrous illegal baton handover, were gracious in defeat.

Admitting disappointment at missing out on a team medal, Justin Gatlin promised supporters that the team had given it all they could and refused to criticise the officials' decision, but did apologise to the US fans.

Now thinking ahead to his future and the potential of bringing down the curtain on a glittering Athletics career, Bolt confirmed that he intends to compete in 2016 but retire before the next Olympic Games in 2020. Instead, he will focus on charity work, a likely ambassador role in the sport or could even consider a dramatic switch to another sport such as football. As the crowds filtered out of the magnificent stadium, the talk was all about just one man - the incredible Usain Bolt, who is surely already an Olympic legend.
