Dear Applicant,

On behalf of the children and staff of Kingslea Primary School, I would like to thank you for expressing your interest in the post of Teaching Assistant.

This is an exciting opportunity to join a forward thinking, supportive and positive team. We are a two form entry school where each class has their own TA and year group teachers have their PPA together. Our children are well behaved and have very positive relationships with each other, and our stock cupboard is an Aladdin's Cave of all the resources you could ever need!

Our key priority is to ensure the highest quality teaching and learning experience for all of our children. This is an opportunity for an excellent practitioner to ensure the development of high quality learning across the school. All our teachers and teaching assistants work collaboratively throughout the school to develop their practice and to be innovative in the classroom.

Kingslea places real value on partnerships with parents, other schools and with the wider community. Working with children means working with their families, providing care and support where needed and enabling parents to foster in their children, great attitudes to school and learning. We believe passionately that every child has a right to succeed. The Governors and I are united in our aim to see every child attain the highest levels of achievement in all aspects of their development and are committed to a clear vision of developing an outstanding school in the heart of its community.

In order to make our vision a reality, we are looking to appoint a strong and highly motivated Teaching Assistant. Essential strengths will include teamwork, initiative, imagination, energy and resilience.

If you are someone who shares our passion for improving the lives of all the pupils in our community, then please make an appointment to come and see what makes Kingslea so special.

I look forward to meeting you.

Yours sincerely,

Alexis Conway  
Headteacher
