

Year 6 Isolating Plan

On the next couple of pages is an outline of activities for your child to complete whilst they are isolating. Please see the appropriate week/date to find out what your child needs to complete across one week in English and Maths (to stay in line with their classmates). We recommend that children work on their English and maths work in the morning and then work on a foundation task in the afternoon (see more details below). Keep to the week and we recommend 30 minutes (for Y1) up to 1 hour (Y6) of Maths and the same for English. For the afternoon we recommend up to two hours.

We have provided study guides and workbooks for your child to use and the appropriate page numbers are referenced on the next page. There are also some websites listed below that you can access that will supplement your child's learning at home. When you have finished isolating, we would appreciate having the study guides returned to school.

Please see the website for Foundation subject activities. The activities, which are called 'Afternoon Plans' can be found in *Solo Quarantine Learning* which is under the 'More' tab on the homepage. Each activity is designed to take a week / or two weeks' worth of afternoons.

Once the work is marked, please email your children's work to isolating@kingslea.org.uk
