Our curriculum comprises not just the learning as set out in the New National Curriculum, but also a wide range of experiences to deepen and enrich children’s learning. We are committed to ensuring our curriculum is exciting, engaging and inspires all our children. The above gives a guide to some of the experiences and activities that we aim to give all our children the opportunity to experience during their seven years at Kingslea. Our aim is to ensure our children are extremely well prepared for the next stage of their education and the challenges of life in 21st century Britain and beyond.
