Kings Road, Horsham, West Sussex, RH13 5PS

March 2024

Dear Applicant,

On behalf of the children and staff of Kingslea Primary School, I would like to thank you for expressing your interest in the post of PE coach.

Our current PE coach is leaving after seven years in post and we are looking for a new team member, to start during the Summer Term or at the start of the Autumn Term in September. The successful applicant would continue the development of PE and sport across the school, under the direction of our PE co-ordinator. It's a fantastic and enjoyable role that includes taking classes for PE/Games during PPA sessions, running clubs, taking teams to tournaments, organising and picking teams and liaising with parents.

Our key priority is to ensure the highest quality teaching and learning experience for all of our children. This is an opportunity for a highly motivated person to ensure that our teachers and children are well supported in the classroom and that our PE and sporting provision is of the very highest standard. It is also the chance for someone to make a real difference to the lives of our children by allowing them to develop their sporting skills, confidence, team work and feel a real sense of success and achievement.

Kingslea is well known across Horsham for the quality of its PE and for the number of children that take part in sporting competitions and festivals and the wide range of activities our children participate in. This is something we want to continue and build on.

We place real value on partnerships with parents, other schools and with the wider community. Working with children means working with their families, providing care and support where needed and enabling parents to foster in their children, great attitudes to school and learning. We believe passionately that every child has a right to succeed. As a PE Coach your relationship with staff, parents and children will be key to ensuring our values are embedded across the school community.

Essential strengths will include the ability to; work across the primary age range, ensure all pupils are fully included in all lessons, inspire and motivate our pupils, have strong organisational and planning skills, coach and develop staff in PE and sport and be a role model for our pupils.

In return we not only offer an exciting opportunity to develop your career but also a rewarding and professional challenge to work as a key member of our team. If you are able to start during the Summer Term there is the opportunity to work alongside our current PE coach.

If you are someone who shares my passion for improving the lives of all the pupils in our community, then please make an appointment to come and see what makes Kingslea so special.

I look forward to meeting you.

Yours sincerely

Alexis Conway  
Headteacher
