Meeting national curriculum requirements for swimming and water safety

Year 6 National curriculum requirements for swimming	
Children can swim competently, confidently and proficiently over a distance of at least 25 metres.	78%
Children can use a range of strokes effectively.	76%
Children can perform safe self-rescue in different water-based situations.	75%

A broad experience of a range of sports and activities offered to all pupils

At Kingslea we are proud of the lunch and after school clubs on offer to all the children. These clubs are provided by members of staff independently, coaches or team taught by both. Sports leaders and students from Millais have actively supported our clubs during the year whilst developing their own leadership skills. Up to February we were on target to have 100% of children attend a club with large amounts of clubs on offer during the summer term and also targeted clubs for the less active.

Attendance at lunch and afterschool sign up clubs to February.

Year Group	Percentage of children attending sign up clubs
1	50%
2	53%
3	66%
4	77%
5	90%
6	88%

Field activities for KS1 have required no join up before hand. The activities are team taught by the coach and supported by the play leaders.

Let's Get Active is a lunch club run for those children who have not attended a sports club or have been identified as inactive by their class teacher.

Competitions and Festivals pupils have represented Kingslea

Since the use of PE and Sport Premium Kingslea strives to achieve high participation levels at competitions and festivals with a wide range of children being given the opportunity to represent the school.

Due to weather constraints at the beginning of the year many events were cancelled or postponed. All events since February were cancelled.

Competitions and Festivals attended Competitions and Festivals that we usually attend

Competitions	Festivals

Hockey	Multisports
Rugby	Cycling
Basketball	Rugby
Table Tennis	
Netball	
Stoolball	
Rounders	
Bowls	
Tennis	
Cricket	
Cross Country	
New Age Kurling	

Profile of PE across the school and the wider community

Pupil voice interviews were carried out across the whole school with the key themes being enthusiasm for the subject; pride felt when representing the school; increased knowledge and skills; a great range of sports and the increasing ability to help lead lessons and model good practice.

The school promotes all aspects of the PE curriculum with individual class photos showcasing their learning and these photos are updated regularly. The noticeboards also promote the values that Sport and PE promote at Kingslea. Children who have represented the school at competitions wear their 'colours' with pride on their hoodies.

To help ensure that the children get at least 30 minutes of physical activity within school we have play leaders, PE monitors, fortnight's fitness and a selection of play equipment out that promotes exercise, stamina, agility, balance and coordination. We have also introduced whole school dancing as part of our weekly playtime.

We promote the activities that children do out of school with a celebratory board showing medals, badges, certificates, trophies and belts achieved.

Parents are informed of achievements and opportunities the children have had through our Newsletter and by following our very active PE twitter account.

Sport and PE during lockdown.

During lockdown we promoted being healthy and active at home. Our PE coach made activity videos each week for KS1 and KS2. Each video showed activities that the children could do at home using equipment that they would have. At the height of the lockdown when restrictions were at their strictest we sent a questionnaire to families to gauge their activity levels. The table shows the amount of daily physical activity from the results that we received.

Year Group	0 -30 minutes	30 -60 minutes	More than 60 minutes
R	21%	33%	46%
1	20%	38%	42%
2	23%	41%	36%
3	22%	33%	45%
4	26%	40%	34%
5	13%	41%	45%
6	32%	49%	19%

We also participated in Specsavers 'Virtual' Sussex School Games 2020.

Key impacts within Kingslea

The key impacts this year are:

- An increase in fitness levels across the school.
- The development of key life skills such as leadership, teamwork and individual responsibility. These skills have been transferred to and witnessed in the classroom, the playground and at home.
- An increase in attendance of certain children through using sport as an incentive.
- The continuing development of important personal characteristics such as winning with humility, bouncing back from defeat, practice and perseverance.
- An increase in the number of children participating in sport outside of school and joining local clubs.
- During lock down - Engaging activity at home and demonstrating ways of staying active.

Awards this year

Through the hard work and dedication of the children, parents and staff we are proud that we achieved:

Quality Start – Platinum Plus

Schools Game Mark – Not running this year due to Covid restrictions
