### Meeting national curriculum requirements for swimming and water safety

<b>Year 6 National curriculum requirements for swimming</b>	<b>% of year group</b>
Children can swim competently, confidently and proficiently over a distance of at least 25 metres.	70%
Children can use a range of strokes effectively.	44%
Children can perform safe self-rescue in different water-based situations.	76%

### A broad experience of a range of sports and activities offered to all pupils

At Kingslea we are proud of all the free lunch and after school clubs on offer to all children. These clubs are provided by members of staff independently, by the coach independently or team taught by both. Sports leaders and students from Millais have actively supported our clubs during the year whilst developing their own leadership skills.

### Attendance at lunch and afterschool sign up clubs

<b>Year Group</b>	<b>Percentage of children attending clubs</b>		
	<b>2021 - 2022</b>	<b>2022 - 2023</b>	<b>2023 - 2024</b>
1	73%	88%	76%
2	77%	83%	63%
3	90%	100%	98%
4	98%	100%	97%
5	97%	100%	95%
6	100%	98%	100%

	% of children who have attended club and/or represented the school	
KS1	Club	50%
	Competition	100%
KS2	Club	100%
	Competition	58%

## Profile of PE across the school and the wider community

The profile of PE continues to be high within the school with many pupils being given the opportunity to represent Kingslea at interschool events.

Pupil voice interviews were carried out with the focus being on Play Leaders and the impact that they have. It was found that the children who were Play Leaders enjoyed the responsibility and promoting sport with the younger children. During the year Little Leaders are trained to work alongside the Play Leaders in the Summer Term. This promotes younger children to have the opportunity to lead, guide,

plan and deliver fun and engaging activities. Many children across KS1 regularly join in with the activities that are provided. New skills are learnt and developed whilst being active and having fun.

The school promotes all aspects of the PE curriculum with individual class photos showcasing their learning. The noticeboards also demonstrate the values that Sport and PE promote at Kingslea and the goals that the children have set themselves. Children who have represented the school at competitions wear their 'colours' with pride on their hoodies.

To help ensure that the children get at least 30 minutes of physical activity within school we have play leaders, PE monitors, fortnight's fitness and a selection of play equipment out that promotes exercise, stamina, agility, balance and coordination. We have whole school dancing as part of our weekly playtime too. Children get allocated times on the MUGA and the KS1 or KS2 building areas.

We promote the activities that children do out of school with a celebratory board showing medals, badges, certificates, trophies and belts achieved.

Parents are informed of achievements and opportunities the children have had through our Newsletter.

### **Key impacts within Kingslea**

The key impacts this year are:

- The development of key life skills such as leadership, teamwork and individual responsibility. These skills have been transferred to and witnessed in the classroom, the playground and at home.
- An increase in attendance and behaviour of certain children through using sport as an incentive.
- The continuing development of important personal characteristics such as winning with humility, bouncing back from defeat, practice and perseverance.
- An increase in the levels of fitness of the children.
