

Autumn Term Sports Newsletter

With such awful weather at the beginning of the term, many of the tournaments were cancelled, re-scheduled and cancelled again! Still the positive attitudes from the children in PE lessons have meant we have been able to spend extra time working on techniques and skills as a class. Fingers crossed the spring term will bring us better weather.

PE – KS2

We have had some absolutely brilliant PE lesson this autumn term for all year groups. We spent a lot more time on trying to perfect techniques and skills in hockey, rugby and netball. Children have been showing a 'can do' attitude and have all developed and progressed rapidly.

PE – KS1

A massive focus for KS1 the autumn term was coordination, throwing and catching. We worked hard, linking specific movements by playing team and invasion games. The children have all showed great progression and we will continue the hard work in the New Year.

Also in PE, we have run a number of joint lessons with a class from KS1 and a class from KS2. The children have loved working in mixed aged groups and it has shown that PE is for all and all can work together to achieve the best outcome possible.

Sports News

Girls' Football – A fantastic tournament for our girls' football team this year! We started slowly, learning to work together a team, with much of the team made up of Year 5 girls. With hard work, belief and great team work we went into the last match of the three week tournament needing a win or a draw against undefeated Leechpool to win Division B. In an fantastic game we drew 0-0 winning Division B. Great teamwork, enthusiasm and effort from the girls.

Hockey – A great start to the hockey tournament for our Year 5&6s. We have spent a lot of time working on transition from attack to defence and the team worked really well on this in the first meet. The next two meetings are in January and we look to continue our good form.

Badminton Festival – It was great for Year 3&4 to experience some quality coaching from ranked UK Professionals. All our children enjoyed trying a new sport and showed great concentration and respect to all the coaches.

PE Monitors – These are the new faces who will help with PE equipment, keeping the store tidy, setting up and down for PE lessons. They are enthusiastic about their new role at the school and it has already been a busy term for them. We look forward to working with them for the rest of the year.
