Starter Activity

My friend Kashaan has lived in this town for five years and we have been best friends all that time. Before he came to our town, he was in Birmingham but his mum got a new job so the family moved here. When I met Kashaan, he spoke with a 'brummie' accent, but his dad says he has taken on the way I speak, so now he sounds as if he has been here all his life!

Let's Recap!

What have we learned?

We use the **simple past** tense to talk about events that are **completely in the past**.

e.g. Cassie **went** to school yesterday.

The **present perfect** tense is for events which are **still true now** or **affect us in the present**.

e.g. Where's Cassie? Well, it's 9am, so she **has gone** to school.

e.g. Cassie's exhausted because she **has been** on a school trip all day.
