

**Today we are going to read  
the second chapter and create  
our notes for this section of  
the story.**

**This is the last piece of the story  
that you will be reading and it is  
important you have a clear idea of  
what has happened so far as you will  
need it for work later in the week.**

### **Chapter 2 Notes**

- **Fred woke up in the forest near the plane wreckage.**
