CONSENT FOR USE OF IMAGES

We often take photographs, and occasionally make video or webcam recordings, of the children at school. The vast majority of these photos are used within school, for example in assembly and on display boards. We use our school website, social media (Twitter) accounts to share the many wonderful things we do at Kingslea e.g. sporting events, dressing up days, workshops and other events we'd like to share with you.

To comply with the GDPR regulations, we need your permission before we can photograph or make any recordings of your child for external use.

- Consent if given is valid for the entire time your child is at Kingslea Primary School. The consent will automatically expire after this time, apart from the use of existing images.
- We will not disclose full names (first name and surname) of any child in any photograph used
- **Your consent can be withdrawn at any point, simply contact the school office.**
