

Finding change

Leanna has this much money.

She spends 13p.  
What money will she have left?

Malachi spends 73p in a shop.  
He pays with a £1 coin.

How much change will he receive?

How much change would I receive if I paid with a 50p coin?

I bought 2 teddies and 1 yoyo.

My change was...

Yoyo

Teddy

I bought 2 carrots and 2 peppers.

My change was...

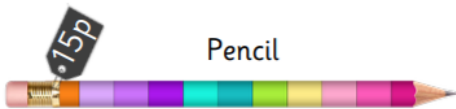

Pepper

Carrot

I bought 1 pencil and 4 rubbers.

My change was...

Pencil

Rubber

I bought 3 packets of crisps.

My change was...

Crisps

Extra challenge

I paid for my shopping with one coin.

Here is my change

What coin could I have paid with and how much would the item have cost?
