Reading

This week and next week, Monday to Wednesday, we are ALL going to look at and explore the same book: **THE FIRST DRAWING!**

To start off with...

1. Look at the front and back cover (a large copy is attached). What do you think this book is going to be about and why?
2. Look at the first page of the story (also attached). Can you imagine if you were born before the invention of drawing more than 30,000 years ago? Write down some thoughts and ideas about what your life would have been like.

This should take you 20 minutes to complete.

Writing/English - *IMPORTANT: Watch the Video first!*

You have been given a very exciting challenge Year 3. We need to catch the woolly mammoths and send them back through the time-travelling portal to the Stone Age where they belong!

How are you going to catch your woolly mammoth? Think about how big it will be and what might grab its attention.

Today, we would like you to act out how you would catch the woolly mammoths that were spotted at school at the weekend. Use your imagination to come up with some inventive ideas! You do not need to write anything down!

Go get them Year 3!!!

Maths

CGP Book Pages: Pg 30 and Pg31 ordering Fractions.

Look back at the fraction fact page that you made yourself last week to help answer today's questions.

Online: TT Rockstars - Complete 5 games in the **Studio** today.

Let's Investigate

This week you will become geologists and explorers! Each day this we will give you a different challenge to explore the earth around us.

Today, we would like you to watch this video all about rocks!

<https://www.bbc.co.uk/bitesize/topics/z9bbkat/articles/zsgkdmn>

Can you go outside and see if you can find some different types of rocks? Make a small collection ready for tomorrows challenge.

If you have any questions, please email year3@kingslea.org.uk and teachers will be checking this address to respond in the morning.
