#### **Reading**

It is RIC day today! Spend 20 minutes completing the attached RIC. Remember to write your answers in full sentences with lots of detail.

Here is a good example of a question and an answer we would expect you to write:

Question: How many legs does a woolly mammoth have?

Answer: A woolly mammoth has four legs, two at the front of his body and two at the back.

#### **Writing/English**

You have been given a very exciting challenge Year 3. We need to write some instructions on how to catch a woolly mammoth so we can send them back through the time-travelling portal to the Stone Age where they belong!

Well done Year 3, you have all worked so hard and have written some excellent instructions on how to catch those pesky woolly mammoths and send them back home, to the stone age!

Today, we would love you to **PUBLISH** your instructions. Remember, publishing really helps us to concentrate on improving our handwriting to make it the best it can be. You can publish onto plain paper if you have it or just write in your personal writing or red books. Feel free to decorate and draw pictures to illustrate your points.

We would love to see your published instructions, please send us an email if you can!

*(Because tomorrow is bank holiday Friday, we will be setting your weekly spelling activity on Monday 11<sup>th</sup> May)*

#### **Maths**

CGP Book Pages: Complete pg 48 and 49 – 3D Shapes. Use what you learnt yesterday to answer these questions.

Online: Sumdog Challenge – Today answer questions based on fractions and shape!

If you have any questions, please email [year3@kingslea.org.uk](mailto:year3@kingslea.org.uk) and teachers will be checking this address to respond in the morning.
