Reading - *IRON AGE*

Well done for working so hard with this Iron Age book! You are all doing really well! We are going to spend one more day looking at it. We would like you to look at a different page from yesterday about the Iron Age. Can you create a quiz with five questions using the information on the page? Then quiz your grown ups on how much they know. Can you teach them anything?

Writing/English

Welcome to the IRON AGE

We hope you had fun time-travelling to the Iron Age on Tuesday. We would love to know what it would have been like to live as a Celt in the Iron Age. Over the next two weeks you are going to write a diary entry telling us all about your adventures to the Iron Age.

Today you get to write your diary entry about your thrilling time-travelling trip to the Iron Age. Remember to use your toolkit and include the features that you found in the example diary entry.

Remember to explain the journey that you have been on. Here are some ideas to think about.

- How did you get to the Iron Age?
- What can you see in the Iron Age?
- Who did you meet when you were there?
- What activities did you get up to?
- What food did you eat? Where did you stay?

Remember to use your exciting vocabulary from Monday and to keep using Capital Letters and full stops in the correct places.

Think carefully about the layout before you start!

We can't wait to read your exciting diary entries!

Maths

CGP Book Pages: No pages in your book today.

Today we are practising our division using our repeated subtraction on a number line. Some questions will have a remainder and some won't. Remember that you can use your times table knowledge to help you check your work after you have used our method.

$8 \div 4 =$	$16 \div 3 =$	$25 \div 10 =$
$15 \div 2 =$	$25 \div 5 =$	$15 \div 4 =$
$14 \div 2 =$	$18 \div 6 =$	$22 \div 3 =$

Online: TT Rockstars – Try to complete 10 games in Studio today. Can you level up?

If you have any questions, please email year3@kingslea.org.uk and teachers will be checking this address to respond in the morning.
