#### **Reading**

*Activity:* Focus on the book you are reading now. In your personal writing books, draw a picture of your favourite part of the story so far. Then write a paragraph explaining what is happening and why you enjoyed it so much.

We are thrilled that so many children are reading a range of books and we love hearing about what you are reading! Keep reading 5x weekly and updating your reading journals when possible. If you would like an extra written task this week, you could write a new chapter for your book.

#### **Writing/English**

*Activity:* This week your writing is going to carry an RE focus. In the Autumn Term, you learned about different aspects of Islam, which involved a fascinating visit to a mosque. Over the next few days, you are going to consider Christians' commitment to God and the role that church plays in their lives.

Your task (**which will cover three days Monday-Wednesday so think about which parts you will complete on which days**): The council is hoping to have a local church turned into a block of flats. Write a letter to the council, persuading them to stop their efforts and to leave the church as it is.

Start by researching churches and the reason they are such special places for Christians. Follow the links to watch the videos and take notes in your books. These will help you when you write your letter.

Worship: <https://www.bbc.co.uk/teach/class-clips-video/religious-studies-ks2-christian-worship/zvjv92p>

Add to your notes any of your own/parents' knowledge on why church is important for Christians.

Once you've researched, you are ready to write the letter. Write an introduction explaining why you're writing. Then write two main paragraphs, explaining, in detail, why the church is too special to be knocked down. Finish with a concluding paragraph, summarising your points.

Persuasive writing checklist: facts, strong adjectives, emotive language, exaggeration, rhetorical questions, personal pronouns, conjunctions.

### **Maths**

*Activity:* This week, we will be focussing on fractions.

Complete CGP pages 28-29 (Counting in Hundredths and Equivalent Fractions). You may want to use a fractions wall to support you (see PDF attached).

*Challenge questions (optional):*

1) How many equivalent fractions for  $\frac{2}{5}$  can you find? Do you notice any patterns between the fractions?

2) Is  $\frac{22}{55}$  equivalent to  $\frac{2}{5}$ ? Why? Why not?

*Online:* Please complete your 10 garage games on TTRockstars across the week. If you would like to play more, go on to the studio where it sets questions all the way up to the 12x table. But don't forget...

The **Sumdog competition** is running until **Thursday (8pm)** of this week. Ensure your dashboard is on 'Competition' (not 'Challenge') and help your class rack up the most points possible!

If you have any questions, please email [year4@kingslea.org.uk](mailto:year4@kingslea.org.uk) and teachers will be checking this address to respond in the morning.

Thank you,

Miss Morris and Mr Biggs
