**\*\*NEW VIDEOS\*\*** STAR of the Week and Sumdog Competition. The Sumdog competition starts at 8am on Fri 24<sup>th</sup> April and runs until 8pm on Thurs 30<sup>th</sup> April. You will have a limited number of questions to answer. Please make sure your home dashboard says "Competition" rather than "Challenge" to make sure your games count towards the competition. Good luck!

### Reading

If you haven't already done so then please complete your summary and infographic of the 1<sup>st</sup> part of Alex Winter's story. If you have finished that, please read the 2<sup>nd</sup> part of the story "Amazon Diary – The Jungle Adventures of Alex Winters". If you want to and you have time, then write a book review using these headings to help you structure it.

- Name of book and authors
- Summary of the story
- Information on the characters – include favourites and least favourites
- Favourite part of the story
- Would you recommend this book – why?
- Overall personal opinion and rating.

### Writing/English

Today we are focussing on spellings. You will be exploring the suffix '-fer'.

Go through the presentation to find out how to add the suffix '-fer' depending on stressed and unstressed vowels in the root words. Practice writing out each spelling in the 1 minute speed writes challenge for each word. Next complete the 'Which Word Where?' activity ensuring you write all the sentences out in your book and adding the missing '-fer' words so they make sense. Ask an adult to test you with the spellings at the end of next week. You also have a wordsearch as an extra challenge if you want it.

### Maths

#### **GCP Maths Booklet Page 14 – Mental Adding and Subtracting**

Complete the Crack the code maths activity. You will need to use your knowledge of multiples, factors, square and cube numbers to solve this task.

Maths Online:

This week please explore the different online maths games that can be found at <https://www.topmarks.co.uk/maths-games>

**Let's Investigate: Illustrating your The Yanomami tribe double page spread/booklet**

Focus today on finishing off your double page spread or booklet of information on the Yanomami tribe. Ensure you have added illustrations like there are in the Amazon diary book as well as photographs. You will see that the book often has photos which are then expanded by drawings. Sometimes there are leaves and feathers used. Can you find things around the house and garden to make your pages more interesting like The Amazon Diary Journal?

If you have any questions, please email [year5@kingslea.org.uk](mailto:year5@kingslea.org.uk) and teachers will be checking this address to respond in the morning.
