Reading

This week our work will focus on the wordless picture book called Tuesday by David Weisner.

Here is the link so you can watch it again

<https://www.youtube.com/watch?v=IV5LOHdrvP8>

Today we would like you to finish designing your comic strips for the pigs flying next Tuesday. What will the pigs get up to? What adventures will they go on? What mayhem will they cause? Send pictures of some of your comic strips to entertain us!

Writing/English

Today's task is to read through the whole of your Shackleton story and do any proofreading and editing. Read it aloud to someone at home so they can help you to check the sense and the flow of your story. Make any changes to punctuation and spelling that you need to.

Maths

GCP Booklet page 13 - Written addition and subtraction.

Use the written column addition and subtraction methods to solve the questions.

These are problem solving tasks which you need to use the written column addition and subtraction methods for.

Online: This week please focus on Sumdog – we have set you a challenge competition. You will need to complete 150 questions across the week and you will win 150 coins for completing it! Good luck in the challenge!

Let's Get Active: Design an obstacle course in your home or in your garden to complete. Time yourself. Try to climb over things, weave through things and use cushions, chairs and other household/garden items. Can you build a tunnel? Can you get the dog or the family to do it too? What is the quickest time you can do it in? Upload any videos you make to the year5 email address so we can see how creative you have been!

If you have any questions, please email year5@kingslea.org.uk and teachers will be checking this address to respond in the morning.
