Reading

This week our work will focus on the wordless picture book called Tuesday by David Weisner.

Here is the link so you can watch it again

<https://www.youtube.com/watch?v=IV5LOHdP8>

Today and tomorrow we would like you to think of the following Tuesday when the pigs begin flying. We want you to design a comic strip of the events. What will the pigs get up to? What adventures will they go on? What mayhem will they cause? Plan out what you will include in your comic strip today and maybe get started then tomorrow you can finish drawing and illustrating it.

Writing/English

Today's task is to write the resolution of Shackleton's story. You need to explain the thoughts and feelings of the crew now that they are safe and rescued. How are they feeling physically and mentally? What do they now think of 'The Boss' Shackleton for coming to the rescue and how are their families feeling now they are home? You could also explain what the best thing was about the expedition and what the worst thing was.

Maths

GCP Booklet page 12 - Written addition and subtraction.

Use the written column addition and subtraction methods to solve the questions.

Online: This week please focus on Sumdog – we have set you a challenge competition. You will need to complete 150 questions across the week and you will win 150 coins for completing it! Good luck in the challenge!

Let's Get Active: Design an obstacle course in your home or in your garden to complete. Time yourself. Try to climb over things, weave through things and use cushions, chairs and other household/garden items. Can you build a tunnel? Can you get the dog or the family to do it too? What is the quickest time you can do it in? Upload any videos you make to the year5 email address so we can see how creative you have been!

If you have any questions, please email year5@kingslea.org.uk and teachers will be checking this address to respond in the morning.
