#### **Reading**

This week we are going to be looking at some stories from a book called 'The Tales of Beedle the Bard' by JK Rowling. It is a collection of stories written for young wizards and witches and was very popular with the students at Hogwarts. These tales are similar to our fairy tales with morals to help young people to solve their problems. The illustrations are by award winning illustrator Chris Riddell.

Today we would like you to just read the story on the attached PDF presentation.

#### **Writing/English**

##### Adverbs and Adverbial Phrases

Yesterday you watched the BBC bitesize lesson. To refresh your memory you could watch the short animations again. Remember that adverbial phrases help sentences flow to aid cohesion and they tell you how, when, where or how often something happens. These phrases can be placed in different positions in a sentence.

<https://www.bbc.co.uk/bitesize/articles/zv73bdm>

Today we would like you to consolidate your work on adverbs and adverbial phrases. Remember to read all the instructions for each task twice so you know exactly what you are doing for each task.

**CGP KS2 English GPS book. Pages 26 – 29 Linking ideas in paragraphs**

#### **Maths**

##### Area of Regular and Irregular Shapes

Go to the BBC bitesize pages on area <https://www.bbc.co.uk/bitesize/articles/zh9brj6>  
Watch the videos on how to calculate area. Next complete the interactive activity and the worksheets.

If you would like a further challenge then complete the perimeter and area pages in your CGP book – pages 48 - 51

#### **Online Maths:**

My Maths has been set for Mrs Wingfield and Mrs Baldwin's maths groups to complete.

Mr King's maths group are to complete 10 or more games in the Garage on TT Rockstars.

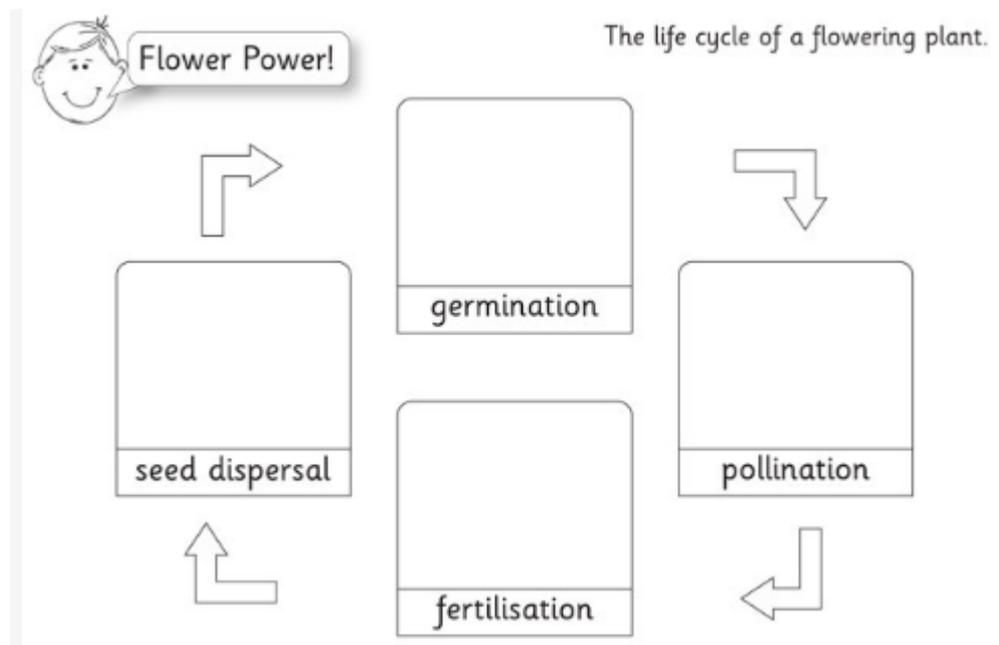

## Let's Investigate:

### The Lifecycle of a Flowering Plant

This lesson will take you 2 days.

Yesterday you watched the BBC bitesize lesson so look at the information again to help you with today's written task. <https://www.bbc.co.uk/bitesize/topics/zgssgk7/articles/zyv3jty>

Draw a lifecycle of a flowering plant diagram like the one below and describe each part of the lifecycle. In each box you will need to write information about that stage and draw a diagram to illustrate the stage. All this information is in the animation you watched yesterday so watch and pause as you complete each section of this task.

If you have any questions, please email [year5@kingslea.org.uk](mailto:year5@kingslea.org.uk) and teachers will be checking this address to respond in the morning.
