### **Reading**

Today we are going to continue our work based on 'Babbitty Rabbity And Her Cackling Stump' which is a short story from 'The Tales of Beedle the Bard' by JK Rowling.

In fairy tales and stories like this there are usually good and bad characters. Complete a table like the one below and find evidence in the text to explain whether the 3 main characters of the king, the charlatan and Babbitty the washerwoman are good or bad characters. You need to find at least 3 quotes to inform your opinion.

Character name	Good or bad?	Evidence from the text to prove this
The king	bad	1. He had a brigade of witch hunters and ferocious hounds to hunt down all witches and wizards so he alone should have the power of magic. 2. 3.
The charlatan		
Babbitty the washerwoman		

### **Writing/English**

#### **Spellings – Silent Letters**

Watch this clip for an understanding of the etymology (History) of why we have words with silent letters.

[https://www.youtube.com/watch?v=iOJRRdnqBJ8&feature=emb\\_title](https://www.youtube.com/watch?v=iOJRRdnqBJ8&feature=emb_title)

Complete the silent letter activity sheets to help you to sort the words with silent letters into different groups then read through the story and make a list of the correct spellings with silent letters which are spelt incorrectly.

## Maths

### Reflection of shapes on a mirror line

When we look in a mirror our image is reflected back at us. In maths when we reflect a shape the image is flipped along a mirror line. Sometimes the reflection is flipped on the vertical mirror line (the y axis) or it is flipped on a horizontal mirror line (the x axis). We often reflect shapes on a coordinate grid of up to 4 quadrants (A quadrant is the area/space marked by the mirror line).

Watch this tutorial video first <https://www.youtube.com/watch?v=25nCv3Cw2n8>

Next Complete pages **66 & 67** in your **CGP Maths books**.

### Online Maths:

My Maths has been set for Mrs Wingfield and Mrs Baldwin's maths groups to complete.

Mr King's maths group are to complete 10 or more games in the Garage on TT Rockstars.

### Let's Investigate:

For the next few days we would like you to make a 3D collage of an Amazon tree frog.

You will need to collect items from around the house to do this and follow the step by step instructions to make your tree frog. Use a cardboard box opened out as your background.
