Reading

➤ Poetry with Mr Marshman

If you are working on a task a day, then you can work on Mr Marshman's Task 3. Remember all his tasks are written on a separate Word document along with the poem and video link. Remember there is no right or wrong answer when it comes to this task – it's your interpretation.

- **Complete your daily reading** and write in your planner any examples of hyphenated words. If you don't have any, can you write why you think there are none.

Writing including Grammar, Punctuation and Spelling

Unit theme: Adventure quest story

➤ Exploring hyphens

- The hyphen is the only punctuation mark that we haven't looked at in detail this year. Can you work out what its purpose is – remember it is different to a dash! Have a hyphen hunt and see how many different sets of hyphenated words you can find. Look in your reading book or the Internet. We'll start you off...

snow-capped

co-operate

quick-thinking

twenty-five

Maths

Week theme: Fractions, decimals and percentages

➤ MyMaths

Remember you have at least one task set for you to complete across the week (between Monday and Thursday, normal homework time) – you can complete your online homework at any time

- **Fraction, decimal and percentage equivalents** – Everyone is going to have a go at working out the missing equivalents in the tables below. There are three levels for you to choose from. Use your study guide to revise a) how to change between decimals and fractions and b) learn how to change between percentages and decimals and percentages and fractions.

Walk	Fractions	Decimals	%
	$\frac{1}{10}$	0.1	
	$\frac{1}{5}$	0.2	
		0.25	25%
	$\frac{1}{2}$		50%
	$\frac{3}{4}$		75%
	$\frac{1}{100}$	0.01	

Sprint	Fractions	Decimals	%
	$\frac{2}{5}$		40%
			1%
	$\frac{3}{10}$	0.3	
		0.6	60%
	$\frac{1}{3}$		33.3%
		0.125	12.5%
	$\frac{1}{12}$		
			19%

Run	Fractions	Decimals	%
	$\frac{1}{10}$		10%
	$\frac{1}{4}$	0.25	
		0.4	40%
	$\frac{9}{10}$		90%
		0.75	75%
	$\frac{4}{5}$	0.8	
	$\frac{1}{100}$		1%
		0.05	

Learning Journey / Foundation Subjects (ongoing throughout the week)

Below are listed the foundation subject tasks for this week. We recommend that you complete one a day, but how you organise your time is up to you. We will introduce one task below on each daily video and will give more detail on what you need to do.

- **Monday – PSHE** – Have a look at the PSHE documents on the website and then complete the tasks below. How you present your ideas and how you interpret the task is up to you.
 - 1) Read through the PDF about different bank accounts and talk through it with adults at home.
 - 2) Decide which bank account is best for which person on the PDF.
 - 3) Tell us about your bank account or which bank account you think would be most suitable for you. What could you save up for? How long will it take to save up for it?
- **Tuesday - Dangers on the mountain** – We would like you to write from the point of view of a mountaineer about a danger that could be encountered whilst climbing a mountain. You need to explain what the danger is and give advice as to how it can be avoided and what to do if a mountaineer is experiencing any difficulties with your chosen danger.

Some examples that you could look at are listed below:

- Frostbite
- Avalanches
- Altitude Sickness
- Landslides
- Severe weather
- Getting lost
- Hypothermia
- Wildlife

You have two weeks to complete this task as we know you may need some time to research too.

- **Wednesday - Art** – Make a picture using the quilling technique (if you don't know what quilling is, either look it up or wait for your Wednesday video). Show your creativity by producing an Earth picture (as it is Earth day on April 22nd). This could be anything to do with the natural world – flowers, trees, animals, forests, mountains, volcanoes etc. Any paper can be used even old packaging if you don't have much paper at home and you can colour the edges for the colour you wish to achieve. Happy quilling!

- **Thursday - Science** – Find out how the human heart works. Draw and label a diagram of the heart and explain how it
- **Friday - PE** – We hope you have been as active as possible and have already completed some of Mr Mothee's PE videos. He has made a special video for Year 5 and 6 this week that focuses on the skills that we would usually be working on in the summer term.

Remember you have one more week for the Year 6 KPS Challenge – How many can you complete in that time? Then there will be new challenges to complete.

We understand that everyone is in a unique position and will complete the above work at different levels. Please just try and do what you can and do not worry if anything is too difficult. Do give us any feedback and enjoy this time. We would love to see the work you produce, but you do not have to send everything to us. We would just really like to hear from you at least once a week and may phone you to touch base! We miss you!

If you have any questions, please email year6@kingslea.org.uk and teachers will be checking this address to respond in the morning.

Maths answers:

Fractions	Decimals	Percentages
$\frac{1}{10}$	0.1	10%
$\frac{1}{5}$	0.2	20%
$\frac{1}{4}$	0.25	25%
$\frac{1}{2}$	0.5	50%
$\frac{3}{4}$	0.75	75%
$\frac{1}{100}$	0.01	1%

Fractions	Decimals	Percentages
$\frac{1}{10}$	0.1	10%
$\frac{1}{4}$	0.25	25%
$\frac{2}{5}$	0.4	40%
$\frac{9}{10}$	0.9	90%
$\frac{3}{4}$	0.75	75%
$\frac{4}{5}$	0.8	80%
$\frac{1}{100}$	0.01	1%
$\frac{5}{100}$	0.05	5%

Fractions	Decimals	Percentages
$\frac{2}{5}$	0.4	40%
$\frac{1}{100}$	0.01	1%
$\frac{3}{10}$	0.3	30%
$\frac{3}{5}$	0.6	60%
$\frac{1}{3}$	0.33	33.3%
$\frac{1}{8}$	0.125	12.5%
$\frac{1}{12}$	0.083	8.3%
$\frac{19}{100}$	0.19	19%

On Monday the answer to Mrs W and Miss N's set question 5 was

$$\frac{1}{4} \div 7 = \frac{1}{28} \quad \text{Sorry – our mistake!}$$
