

The sun shone in the sky.

A girl sat under the tree.

I saw a bug in the grass.

The horse trotted in the field.

I could hear the birds tweeting.

I played with Molly and our toys.

The cat sat on the sofa.

The knight was in the castle.

I went for a walk at the beach and I saw  
a boat.

When I read my book I saw a picture of a  
girl.
