

Dragon Kisses

By Moira Andrews

Kissing a dragon is dangerous,
Even if you love one a lot.
And it's hard to give one a cuddle,
His breath is much too hot!

Nobody ever gives him a kiss,
Not his mum or granny or dad,
Nobody ever kisses him better-
If he falls, then it's just too bad.

If we fed dragons on ice cubes
And they sucked them hard like
this.. sh..sh..sh..sh..
Their breath would smoke so
gently
There'd be time for one quick kiss!

Dragon

Scary, selfish dragon.

Blood sucking forked lizard tongue flickering...
in and out

Scales as hard as rock.

Pointy bumps on his back -
like a crocodile.

Spade-like end of his tail.

Razor sharp claws.

Fiery red eyes.

Greedy gobbling dragon

Eats all the sheep

And fancies a maiden for his tea.

One deadly bite

AND YOU'LL BE FINISHED!

Dangerous teeth that rip his prey.

Red deadly eyes that scare people away.

Angry face that people do not like.

Giant ears that can hear things far away.

Orange firey breath that burns trees down.

Nasty nostrils that smoke comes out of.

My New Pet.

My new pet is a curious kind.
It popped out of an egg that I did find.
With beady eyes and curly claws
And razor sharp teeth filling its jaws.
Enormous wings like leathery sails,
Scaly armour right down to its tail,
Roaring and huffing and puffing out fire,
To eat you for dinner is all it desires.
It's not a snake, or a lizard, or bat ...

My pet is a DRAGON!

How about that?

by Mrs Maloney

Ancient Dragons

Dragons, they say, lived long ago.
Where they came from, I do not know.
Some like to fly and roar and prance.
Others are colorful and love to dance.
Long tails,
 Huge wings,
 Golden eyes,
 Sharp claws,
 Scaly skin,
 Forked tongue ...
I'm glad they don't live here any more.

Fly Dragon Fly

Fly, dragon, fly,

Higher and higher.

Breathe, dragon, breathe,

Flames of fire.

Blink, dragon, blink,

Your eyes of gold.

Sleep, dragon, sleep,

You are ever so old.
