#### **Reading**

Choose a letter from the alphabet. How many items around the house can you find with that letter in it?

Olly the Otter chose the letter p. He found 6 words just in the kitchen! Plate, pan, pots, potato, apple and peeler.

Can you record the words you find in your personal writing book?

#### **Writing/English**

Last term we had a visit from Joshua Seigal the poet. We created our own acrostic poems with the word ACROSTIC. Acrostic poems have a word down the side and every line of the poem starts with that letter. We would like you to create your own acrostic poem about a chosen topic using either the word:

OTTERS

or

HEDGEHOGS

Remember that acrostic poems follow no other rules but that every line must start with that letter of the word. The example at the end of this document is from 'The Lost Words', which is a really lovely collection of poems using words that have been removed from the dictionary.

#### **Maths**

CGP Book Pages: 60 and 61

Measuring time.

Can you use a stopwatch to record how long you can do 20 star jumps in. Can you see if you can improve your time?

Another challenge is to see how many times you can write your name in 15 seconds, 30 seconds and 1 minute. Remember to keep an eye on the stopwatch!

Grown-ups often have stopwatches on their phones or you can find them online, remember to ask their permission before using their device.

## Other

Can you create a moustache or pair of lips out of paper and wear them and take a funny photo? Please send them to us on email, we can't wait to see! 😊

If you have any questions, please email [year1@kingslea.org.uk](mailto:year1@kingslea.org.uk) and teachers will be checking this address to respond in the morning.

Miss Finley and Miss Snell 😊

**O**tter enters river without falter – what a supple slider out of holt and into water!

**T**his shape-shifter's a sheer breath-taker, a sure heart-stopper – but you'll only ever spot a shadow-flutter, bubble-skein, and never (almost never) actual otter.

**T**his swift swimmer's a silver-miner – with trout its ore it bores each black pool deep and deeper, delves up-current steep and steeper, turns the water inside-out, then inside-outer.

**E**ver dreamed of being otter? That utter underwater thunderbolter, that shimmering twister?

**R**un to the riverbank, otter-dreamer, slip your skin and change your matter, pour your outer being into otter – and enter now as otter without falter into water.
