#### **Reading**

Play BINGO! with your grown up/s, brother/s or sister/s.

Make your own BINGO boards using 6 tricky words (see tricky words below). This could be in your personal writing book, on some paper or on a whiteboard for example. Remember not to write the same word twice!

Write out the words from each player's BINGO board on small, cut up pieces of paper and place them into a box or even a hat! Take it in turns to select a word from the box/ hat and read it out. If you have the word on your board, then tick it off. Once you have all 6 words ticked off, call BINGO! 😊  
have fun!

## Spellings

Every Monday we will be sending out a list of spellings for you to practise at home. These will either be words related to Castles or they will be Year 1 spelling patterns. You can practise however you like and usually when we are at school we quiz the children on their spellings on a Monday to check they have understood the pattern.
