#### **Reading**

Read a newspaper report. (A child-appropriate one, have a look on CBBC Newsround)

Can you summarise the main events or facts from the text?

Can you answer questions about what you have read?

#### **Writing/English**

We would like you to think about captions for a picture.

Captions are used to give facts about what is happening in a picture or photograph, we have to think about what information we want to give the reader whilst making it interesting and exciting.

Can you create some captions for the pictures on the next page?

#### **Maths**

CGP Book Pages: 22 & 23

Today's challenge is number bonds to 20!

Have a go at creating your own song for number bonds to 20.

Can you record all the number bonds to 20 in an exciting way?

Olly and Hector would love to see your number bond work!

Online: Numbots

If you have any questions, please email [year1@kingslea.org.uk](mailto:year1@kingslea.org.uk) and teachers will be checking this address to respond in the morning.

What could the caption be?  
Who is involved? Where is this happening? What is going on?  
(You will have to make up some of these facts!)
