#### **Reading and Writing**

Recap the features of a 'fiction' text. (Made up story, beginning, middle and end, characters, a setting (where the story takes place), illustrations, needs to be read in order, a problem and solution).

Select a fiction text from your home and read. Write a character description, describing one of the characters from the story.

#### The Gruffalo

The Gruffalo is a terrifying creature who has terrible tusks and claws as sharp as a razor. Interestingly, he has knobbly knees, turned-out toes and a poisonous green wart at the end of his nose. The Gruffalo's eyes are bright orange, like a raging fire and his tongue is as black as coal. Running down his back, he is covered with purple prickles, which are sharp and spiky. On the top of his head, he has two curved white horns and he has a bushy brown tail which droops all the way to the ground. Although he appears scary, the Gruffalo is frightened by a miniature mouse. Maybe he is not so brave after all!

We can't wait to read your character descriptions! 😊

#### **Maths**

CGP Book Pages: 36 and 37.

Can you find half of a group of items? For example, there are 10 carrots. Half of 10 is 5.

Find half practically by putting items into 2 groups, saying "one for you and one for you" until they are all gone. Count each group to check they have the same amount! This is half!

When and where else do we use half?

- When telling the time - half past the hour.

Online: Numbots

If you have any questions, please email [year1@kingslea.org.uk](mailto:year1@kingslea.org.uk) and teachers will be checking this address to respond in the morning.

Miss Finley and Miss Snell 😊
