### Reading

- Please ensure that you read for at least 15 minutes per day. Write us a comment in your reading journal to summarise what happened in your text (if you would like to email us these please do!).
- Complete one page in your CGP comprehension booklet – ask your grown up to check your answers. Remember key words need to be spelt correctly and highlight your answers from the text.

### Phonics

Beat the grown up! This game is the same as 'beat the teacher' that we play at school. This time we would like to see if you can beat your grown up and/or your sibling. We would like you focus on the suffix –ful for this game. For example: wonderful, colourful

- This game requires speed so make sure you are prepared! Each member needs a pen and a piece paper or equivalent.
- Set a timer for 2 minutes.
- When the timer begins, each player needs to write down as many words as they can which use the suffix –ful.
- When the timer has ended, count your words and see who the winner is! Remember your words must be spelt correctly to get a point.
- Discuss the words that each player has written – can you define them? Can you use them within a sentence?
- Repeat! Have another go and see if you can increase your score!

Once you have completed this challenge you can always challenge yourselves by using different digraphs, trigraphs (3 letters making one sound), suffixes or prefixes as the focus for each round. Can you beat your grown up and/or sibling? Good luck!

## English - Writing

- Your writing project this week is to create a fact file about Australia!
- We will give you an area to focus on each day.
- You can present your project however you wish.
- Try to use these grammar and key features in your fact file:

Catchy sub-headings	Captions for pictures	A map showing the major cities and territories	Expanded noun phrases White, sandy beaches	Conjunctions but, and, so, because	Commas in a list
---------------------	-----------------------	--	---	---------------------------------------	------------------

- Day One – Where is Australia?
- Day Two – What animals live in Australia?
- Day Three – Research an Australian city
- Day Four – What is the Great Barrier Reef?
- Day Five – Why should people visit Australia?

## Maths - CGP Books

### Arithmetic book – Page 10 – Addition – 2-digit numbers add 2-digit numbers

- Choose a calculation from the page. Show your grown up how addition can be completed in any order. Can you switch the equal sign too?

### Reasoning book – Page 3 and 4 – Numbers and words

- Make a matching activity for your grown up or sibling to play (like question 2). Can you use different ways to represent numbers to make this activity more challenging? Remember to use your number word mat to help you to use your correct spellings.

## Online Homework

- It is a Sumdog week! Can you use this week to earn some more coins? Will you move up to the next level on the animal rankings?
- Remember we have set a Place Value quiz for your online homework – have you managed to start or complete this yet? Use what you have learnt at school to help you!
- There are 60 questions to answer – you don't need to answer them all at once, you can always take a break or answer 20 questions a day. This shouldn't take you too long to complete.
- The challenge will run until Friday 5pm – good luck!

## The Burnooper Challenge!

- Plan a games night with your family. What game will you play? Will you invite your friends (online apps of course!) Will there be a Quiz Master? What will the dress code be? Will you all get dressed up into your finest clothes or choose to wear pjs? Remember to send us your pictures!

## Year 2 business

If you have any questions, or want to share anything then please email [year2@kingslea.org.uk](mailto:year2@kingslea.org.uk) We will be checking this email every day and would love to hear from you.

Remember, we are always here for you all.

We miss you and send love and kindness to you and yours.

Be sweet, be happy, be silly, be kind.

All our love... Miss Burnett, Miss Cooper and the Year 2 team XX
