Reading

- Please ensure that you read for at least 15 minutes per day. Write us a comment in your reading journal to summarise what happened in your text.

Spelling

- We are going to practise the alternate ways to spell the 's' sound spelt c and the tion spelling pattern.
- We have already covered these spellings in Year 2 so this is just revision – try to think back and use what you know.
- There is a handy explanation about these spelling patterns to remind you too.
- Have a look at the spelling card attached and complete the activities for each spelling pattern.
- You might think of more words that use these spellings that you can add to the lists.

English - Writing

It's letter writing time! As guardians of our galaxy, it is our job to think of ways to be more eco-friendly. For this week's writing unit, we would like you think about ways that we could make our school more environmentally friendly. Do you think we could introduce more recycling bins in school? A litter-picking crew? A promise from teachers to make sure they always turn their computer and lights off at nighttime? Reduce the amount of single use plastic?

Please write a letter to us with your suggestions to help Kingslea become a greener and more ecofriendly school.

Key features of a letter you may wish to include:

to and from	address	date	sectioned writing	question sentences	conjunctions	commas in a list	appreciation and signing off
-------------	---------	------	-------------------	--------------------	--------------	------------------	------------------------------

Day 1- planning your letter- what are your ideas that you want to communicate? Why are these ideas important?

Day 2 – to and introduction – who are you? Why are you writing this letter?

Day 3- section number 1 explain your first idea – why should Kingslea try your idea?

Day 4- section number 2 explain your second idea – why should Kingslea try your idea?

Day 5- ask the reader some questions about your ideas, add your appreciation (remember to say thank you) and sign off (from/yours sincerely) Remember to proof-read and edit.

Maths - CGP Books

Arithmetic book – Page 31 – 10 times table – multiplying – continued!

- Do you know some of these answers mentally? Can you solve some of these calculations mentally using your fingers?

Reasoning book – Page 26 - Units

- Look at question 3. You will have 3 units left over. Have a go at writing 3 statements that include these leftover units. Remember to read back your writing to check that they make sense.

Online Homework

- It is a Numbots week! Can you use this week to earn some more coins? Will you move up to the next stage in the junkyard? This could take you some time or weeks so don't worry if you don't progress to the next stage quickly. The practising of your skills is more important!

The Burnooper Challenge!

- Recently, the Year 2 teams shared with you some of the books they have been reading and recommend books that you might enjoy. Now it's your turn!
- Chose two or three books that you would recommend to another Year 2 child or the Year 2 team to read.
- What is the title of your book? Who is the author? How many stars out of 5 would you give this book? Why would you recommend it? Who would you recommend it to? For example: I recommend this book to Mrs Booker because I know she loves exciting adventure stories.
- Be as creative as you wish. You might want to write these recommendations down and send them in or you might want to send in a video (just like we did) to share all your recommendations. We can't wait to see what books you recommend!

Year 2 business

If you have any questions, or want to share anything then please email year2@kingslea.org.uk

Remember, we are always here for you all.

All our love... Miss Burnett, Miss Cooper and the Year 2 team XX

Meow from Tallulah xx
