

Year 6 KPS Challenge!

During the time that school is closed, we are setting you a selection of random challenges to try and complete. Some will be easier than others and some will need you to be extra creative!

For each challenge you can write a quick note explaining what you did and/or take a picture evidencing that you have completed it.

There are 3 levels of award that you can achieve:

Bronze (10 out of 30 challenges completed)

Silver (20 out of 30 challenges completed)

Gold (Completing all challenges!)

Further rules:

- You must provide some sort of evidence to prove you have completed each task.
- Before completing each task, you will need to get permission from a parent/carer.
- You can work together with people from home, but you must be involved in each task.
- For each task, you will need to demonstrate a 'take care' approach ensuring you are respectful towards other people.
- This challenge is solely based on having fun!

Good luck!
