

# Addition and Subtraction (Part 1)

## Addition and subtraction up to 20

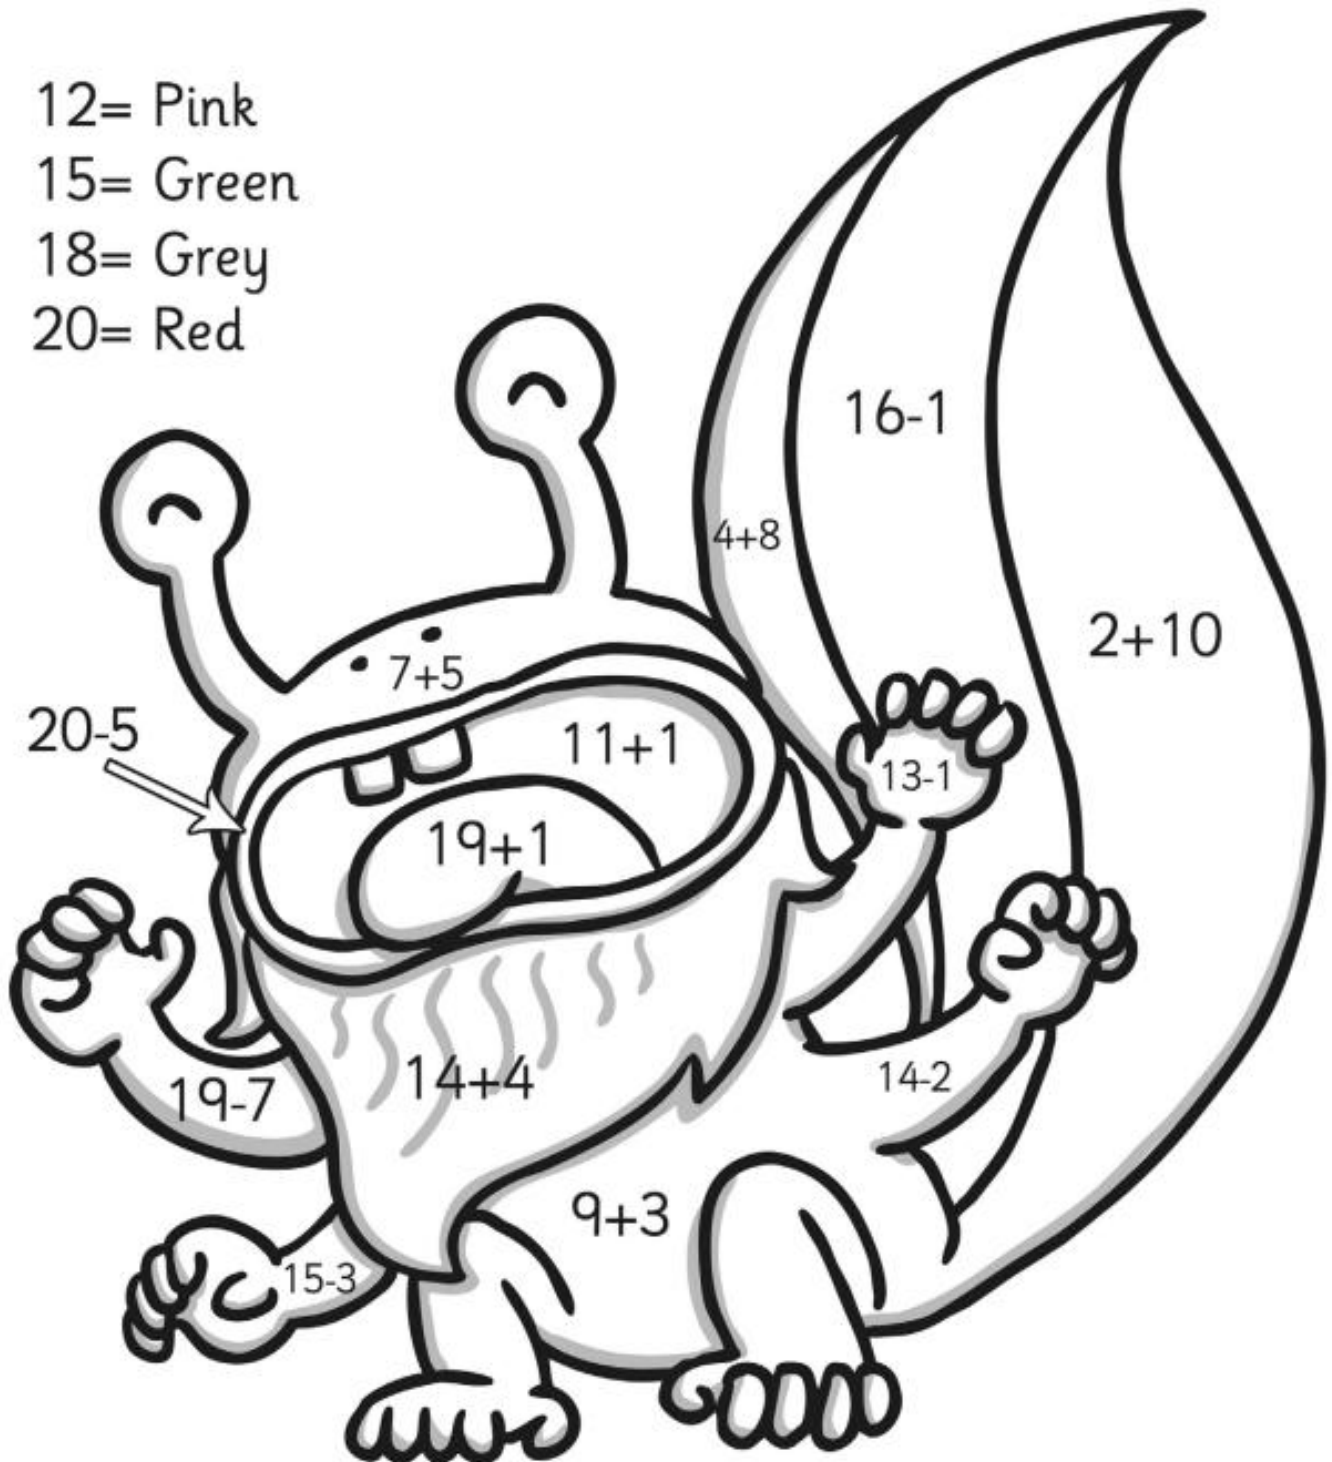

Solve the calculations in the picture to tell you what colour they should be.

12= Pink

15= Green

18= Grey

20= Red

## Adding two-digit numbers and ones, crossing 10

Work out the answers to the calculations using jottings.

|                                 |                                  |
|---------------------------------|----------------------------------|
| 1. $15 + 6 = \underline{\quad}$ | 2. $18 + 3 = \underline{\quad}$  |
|                                 |                                  |
| 3. $46 + 8 = \underline{\quad}$ | 4. $67 + 5 = \underline{\quad}$  |
|                                 |                                  |
| 5. $55 + 9 = \underline{\quad}$ | 6. $76 + 7 = \underline{\quad}$  |
|                                 |                                  |
| 7. $59 + 3 = \underline{\quad}$ | 8. $74 + 9 = \underline{\quad}$  |
|                                 |                                  |
| 9. $57 + 8 = \underline{\quad}$ | 10. $65 + 8 = \underline{\quad}$ |
|                                 |                                  |
