Noun phrases

A simple noun phrase is a group of words that includes a noun at its head. The noun is the main word in the phrase and other words give information about it. For example

a cat his toy those shoes the house two children

The example simple noun phrases above, all contain a determiner and a noun to make a noun phrase. Most noun phrases contain a determiner. In this sentence, the noun phrase has been underlined: *Bring your children with you.*

Expanded noun phrases

An expanded noun phrase gives more detail or information about a noun in a simple noun phrase. This is usually done by adding adjectives to describe the noun in the noun phrase.

For example: *She walked through the dark, mysterious forest.*

In the example above, the expanded noun phrase is 'the dark, mysterious forest' the words 'dark' and 'mysterious' have been used to expand the noun phrase. They make the writing more interesting as they help the reader to build an image in their mind.
