#### **Reading**

You really enjoyed the tricky word game you played a few weeks ago- so have another go at this.

Cut some paper into rectangles and write these tricky words:

- She
- He
- You
- Be
- Are
- Was
- They
- My

Tell your child that all these words are tricky words (you can't sound them out, you just have to know them). Place the words on the floor or on a table across the room. Say one of the words and your child must run, read the word and bring the correct one back to you before you write the word. You could even do this outside! You could also use different tricky words if your child enjoys this game.

### Writing/English

Listen to Miss Stoneman read the story 'The Bugliest Bug'. This is a story that has rhyming words. We have talked about rhyming words in school. Can you write some words that rhyme? You can find words that rhyme with the words in the story, words we have given below, or your own words.

- Bug
- Frog
- Cat
- Spin
- Rock

### Maths

Can you match socks? Find some socks around your house and mix them up! Sort the socks into their pairs, talking about pattern and colour. You could use these words and encourage your child to use them too: same, pair, two, match, different, colour, pattern.

Can you play Numbots?

Watch an episode of Numberblocks - <https://www.bbc.co.uk/iplayer/episodes/b08bzfnh/numberblocks>

### Other

Can you go on a bug hunt? Go for a bug hunt in the garden or on your daily walk. Your child could draw a picture of the bug they have found. What words can they use to describe the insect?

Watch some videos throughout the week on bugs
