Reading

Can you spot the letter at the start of your name? What does your name begin with? Can you read a book and see how many times you find that letter? Tick as you find the letter.

Watch an episode of Alphablocks - <https://www.bbc.co.uk/iplayer/episodes/b01cz0p1/alphablocks>

Play phonics play - <https://www.phonicsplay.co.uk/>

Writing/English

Can you learn about the lifecycle of a frog? Watch Miss Hancock teach you about the life cycle of a frog and then draw and label your own life cycle.

Maths

How many objects can you measure in your house using your hands or feet?

Remember:

- Choose to use only your hands OR your feet for each measurement.
- Don't leave any gaps between your feet or hands whilst measuring.

Questions for you to try at home:

How many hands tall is your table? How many feet long is your bed? Can you estimate how many feet something will be and then check your answer? If you used your hands and feet to measure the same object would the result be different? Can you work out why?

Can you record your findings?

Can you play Numbots?

Watch an episode of Numberblocks - <https://www.bbc.co.uk/iplayer/episodes/b08bzfhn/numberblocks>

Physical

Frogs are very good at jumping! Can you show someone at home how to jump? Remember to bend your knees! What things can you jump over? Remember to be careful!

Other

Watch some videos throughout the week on frogs:
