

# I'm a Little Tadpole

*(Sing to the tune of 'I'm a Little Teapot'.)*

I'm a little tadpole, long and slim,  
In the water watch me swim.  
As the days get longer, watch me sprout,  
All my legs as they grow out.

I'm a little froglet, with my toes,  
I'm still growing, everybody knows.  
When my tail's gone and can't be seen,  
I'm a frog and I am green.
