Reading

Play the tricky word hidden word game (see attached document). We have provided you with phase 3 and phase 4 tricky words. You can print this off at home, or you can encourage your child to write the tricky words they find into their purple book.

Watch an episode of Alphablocks - <https://www.bbc.co.uk/iplayer/episodes/b01cz0p1/alphablocks>

Play phonics play - <https://www.phonicsplay.co.uk/>

Writing/English

Can you write some words that end with the 'sh' sound? The word fish has the digraph 'sh' at the end. Ask your child to write this word. They must be sound detectives and write some more words with the sh sound the end (e.g dish). How many can they come up with?

You could extend this activity by writing some words that have the sh sound at the beginning, or in the middle.

Maths

Can you play shops with a grown up or sibling?

You could use some real money, pretend money or you could make your own money. Collect some things around your house and give them some labels with amounts on (e.g 15p, 2p, 9p). Pretend to buy some things! You could extend this activity by writing receipts or counting up how much everything cost. Use 1p coins to make amounts to start with. Children will find the concept of 5p being worth the same as 5 x 1p coins

Can you play Numbots?

Watch an episode of Numberblocks - <https://www.bbc.co.uk/iplayer/episodes/b08bzfnh/numberblocks>

PSED

Sometimes things end up in the sea that shouldn't and these are bad for the sea life. Can you explore the recycling PowerPoint and then help an adult sort the recycling at your home? What can you recycle and what can't you recycle?

Other

Can you do some yoga? We will be providing you with a fishy yoga a day!

Watch the video and join in with the actions.

Please upload pictures and videos onto Tapestry, we love to see what you have been up to!

If you have any questions, please email reception@kingslea.org.uk and teachers will be checking this address to respond in the morning.
