#### **Reading**

Can you sing a song/nursery rhyme?

Let your child sing their favourite nursery rhyme to you. Record this and add it to Tapestry. Share any nursery rhyme books you have. The CBeebies website has plenty of nursery rhymes with words for the children to sing.

<https://www.bbc.co.uk/teach/school-radio/nursery-rhymes-a-to-z-index/z4ddgwx>

#### **Writing/English**

Can you draw a picture of your family? Can you label it?

Let your child draw a picture of their family, a family member, or a pet. Encourage them to then label this with names/roles/parts of the body etc. You could extend them further by asking them to write a sentence too!

#### **Maths**

Can you order your soft toys by size?

Let your child order their soft toys from smallest to biggest. Talk about differences in size. Which is biggest/smallest etc? Can they record this? Record your child explaining how they have sorted this and add it to tapestry.

#### **Weekend challenge**

Can you design and make an animal? You can use whatever you like to do this. It could be construction, blocks, junk modelling, play dough etc

Let your child choose an animal and build it however they like. Take a video of your child talking about what they know about the animal they have made, and how they made it and upload this to Tapestry.

**If you can, please upload any of this work to Tapestry as we would love to see what the children have been up to. This will also help us to assess your child's learning.**

If you have any questions, please email [reception@kingslea.org.uk](mailto:reception@kingslea.org.uk) and teachers will be checking this address to respond in the morning.
